NOTICE TO CAPITALISTS.
I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.
Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

INFAMOUS.

After a eulogistic notice of its candidate, Samuel F. Phillips, who has only been a citizen of Wake about two years, and whose interest in the county is limited to a lot and dwelling in this city, the Yankee carpet bag editors of the *Standard*, have the impudence to say the following:

Dr. Dunn is a Democrat. He has no claim upon the people of this county. He represents *revolution, disorder, strife, and heavy taxation.* Vote him down. Let him stay at home. He will be of more service to the county in any other position than in the Legislature.

Dr. Dunn, born in the county, an active farmer in the county from his nativity and connected with one of the largest families in the county, all of them among our most substantial farmers, and yet Dr. Dunn has no claim upon the people of Wake! Who but a carpet-bag Yankee, would be guilty of such impertinence. But Mr. Dunn is a Democrat. Well Wake county was always Democratic till Radicalism came among us. But worse and worse, Dr. Dunn represents "revolution," "disorder," "strife" and "heavy taxation"!! Was there ever such barefaced falsehood!

Dr. Dunn represents the Democratic Conservative party; that party is a sworn foe to "revolution, disorder, strife and heavy taxation." Radicalism or Reputficanism as the *Standard* and as Mr. Phillips advocate it, is the very essence of revolution. It was born of the essential elements of hostility to the Constitution, to law, to order and to peace! That party will not deny that it has more love for the "higher law" fanaticism, than it ever had for the Bible or for the Constitution or for the written law. The Radical party was begotten in the incestuous bed of revolution, disorder and strife, and opposition to Constitutions and laws. That party lives upon strife and is an enemy to peace.

The party which Dr. Dunn supports, is struggling for the restoration of the State to its former *status*, when law and order and the Constitution and the peace and quiet of the people, was the ordinary and general condition of things.

Is it the *Standard's* and Mr. Phillips' party that has so revolutionized North Carolina, that her old acquaintances do not know her. Indeed, she hardly knows herself, so metamorphosed and down-trodden and over taxed, has she been by Radical rule.

"Vote him down" says the *Standard*—Yes, vote Dr. Dunn down and Mr. Phillips up. The people of Wake will think of it, and will ask themselves, *what claim has Mr. Phillips upon them?*

The Raleigh SENTINEL is appropriating considerable consolation from the fact that Solicitor Bulla does not send bills of indictment against some of the Ku Klux prisoners before the Grand Jury, because of an improbability that legal evidence sufficient can be obtained to convict, the prisoners having the benefit of legal "doubt." But will the SENTINEL say Mr. Bulla, or the writer of that article does not believe any of them guilty!—*Salem Advocate.*

We cannot endorse either for Mr. Bulla or Judge Tourgee, yet it is plain neither of them believed either of them were guilty.—Their course plainly indicates, that they did not consider either of these men the murderers of Stephens, that there *was no evidence* of it and that none could have been obtained.

As to our opinion, we say positively, after having known Messrs. Wiley, Mitchell and Roane for years, that they are as innocent of the charge of murdering Stephens as their children three years old; and we further believe it more probable that the editor of the Salem *Advocate*, Wat. Dunn, would be convicted five times, before either Wiley, Mitchell or Roan could be implicated once, in the crime of murdering Stephens, by respectable testimony. It is high time that such men as Wiley, Mitchell and Roane, of Caswell, who are above reproach among respectable men, should be free from the censures of those whose judgments are biased by political prejudice and the desire to sustain an Executive whose tyranny and lawlessness are palpable to every one.

PETERSBURG AGRICULTURAL SOCIETY.

We are indebted to the officers of this Society for a certificate of life membership, for which we tender our warmest thanks. Messrs. R. H. Jones, Jr., B. S. Bridgers, H. C. Davis, W. H. Tappey, R. A. Martin and S. P. Arrington, are now in attendance at our Fair as delegates from the Petersburg Agricultural Society, and they tender an earnest invitation to the officers and delegates of the N. C. Agricultural Society and our citizens generally, to attend the annual Fair of their Society, which begins on Tuesday next, 25th inst. If Petersburg has not terribly degenerated, which we suppose it has not, those who may find it convenient to go may expect a good time.

See advertisement in another column.

LETTING FACTS OUT.

The following is another of the papers picked up in the Court House in Graham, left by Kirk and Bergen:

HD'Q'RS, DETACHMENT 2D N. C. STATE TROOPS
COMPANY SCOUT, Aug. 5th, 1870.

Lieut. John Honeycutt,
Co. D, 2d N. C. State Troops.

LIEUT.: You are hereby ordered to select seven (7) *picked* men, soldiers from this post, fully armed and equipped and repair to the town of Hillsboro, county of Orange and State of North Carolina, and take into your custody the body of Josiah Turner, Jr. Esq., (alive.) You will then report with the prisoner to my headquarters. You will grant the prisoner extended courtesy. If the said Josiah Turner, Jr. Esq., should attempt to resist by force of arms; you are hereby commanded to defend yourself and men. Be guarded against abuse of any kind.

By command of
GEORGE B. BERGEN,
Lieut. Col. Com'dg. Post.

We have Burgen in jail, and we expect to have his friends Gov. Holden and Kirk to keep him company. To use deadly weapons is by law a penitentiary offence. The Governor has no more authority to arrest us in Orange than we have to arrest him in Wake. If we should attempt to arrest him in Wake as he did us in Orange, we should deserve the penitentiary. Does the Governor deserve more or less than any other citizen who violates the law?

It is true most of the Radical Judges have refused to issue a warrant for the arrest of the Governor, assigning as a reason that it would be arresting one of the co ordinate branches of the government. They forget that there is a Lieutenant Governor, and the Constitution provides that in the absence, sickness, or inability of the Governor he shall act. The officer who accompanied us to Yanceyville said he was glad our friends did not attempt to rescue us; for he had orders to command every soldier to shoot at us. We are of the opinion, the Governor wrote or suggested the order of arrest as he did the return of Kirk to Judge Pearson's writ. Take us "*alias*" was in the order, because *the men had* private instructions to shoot us.

YES OR NO.

We ask a categorical answer to a plain question:

Has the editors of the SENTINEL more or greater civil rights and privileges than other citizens of North Carolina?

This question is not difficult to comprehend. It takes just one word to answer it. Dare the SENTINEL give such an answer.—There is no occasion for a column of personalities. Will the SENTINEL answer "yes?" Will it answer "no?"—*Standard.*

NO! So far from having "greater civil rights and privileges" than other citizens, ours have been greatly abridged. No citizen of the State has had his privileges so much abridged as ours.

We were arrested, imprisoned, forbidden the exercise of the rights of an editor of a free press, forbidden to talk except to speak to our jail keepers for food or water. Not allowed to write for our paper or to our family or friends. We were denied a chair or even a stool to sit upon. When we rested, we laid down in two feet of a lousy convicted felon who was chained to the prison floor, and subsequently hung.

Who asked us this question, Pilgrim Ashley or his brother Martin? We have given you a prompt reply, now invisible editors, give us a categorical answer.

PRUSSIAN AND FRENCH WAR.

The telegraphic accounts which we receive from the Prussian and French war are so contradictory and unreliable, that it is impossible to form any intelligent and definite idea of the real state of affairs.

Of the recent successes of the French around Paris we have no doubt, but the escape of Bazaine from Metz and its possible results are more doubtful. So of other French successes. It is equally true that there are no indications of breaking down on the part of the French, but a determination to fight to the end.

Bismarck and the Prussians and Germans generally, are growing tired of the contest, and are more anxious for peace, than at first. It is said the Prussians are disposed to offer liberal terms to close the war.

Rumors also are afloat, that other powers will soon be involved in the contest.—The future must develope the real aspect of affairs in Europe, but the costs and consequences of war are so dreadful and revolting, under any circumstances, that nations must hesitate and ponder on the brink, before they plunge into it.

GIRLS.—There are two kinds of girls; one is the kind that appears best abroad—the girls that are good for parties, rides, balls, calls, etc. and whose chief delight is in such things. The other is the kind that appears best at home—the girls that are useful and cheerful in the dining room, sick room, and all the precincts of home. They differ widely in character. One is often a torment at home—the other a blessing; one is a moth consuming everything about her—the other is a sunbeam, inspiring light and gladness all around her pathway. The right kind of education will modify both, and unite the good qualities of both.—*Ex change.*

For the Sentinel.

Josiah Turner, Jr.

DEAR SIR: If the writer of the article in the *Standard*, criticising what I wrote in regard to the "excursion to Richmond, Va.," will write over his own proper name, and it shall turn out that he is a man who makes no distinction between truth and falsehood, fact and fiction, and will lay aside his billingsgate, I will discuss (with your permission) in short pointed articles the tariffs on Railroads, and leave to those who may read, to judge and decide which is really the enemy or injurer of North Carolina, the advocate of high rates of transportation or low. When I refer to any one by name in public print, I consider it proper to give him *my own*, hence my signature to articles written in favor of low tariff, that sensitive officials of Roads referred to could not complain of my taking shelter under a fictitious name.

Of one thing I am confident *time will prove*, (whether it occurs in my day or not,) that if our State ever becomes prosperous, the rates of transportation over our Railroads *must approximate those that now prevail in every prosperous community*, and a sample can be given from Georgia, (to which State the critic refers) of great benefits from a material reduction in rates, which recently extorted commendation from a political opponent.

Your obedient servant,
W. A. CALDWELL.

THE SENTINEL.

CITY AND STATE ITEMS.

FRIDAY, OCTOBER 21, 1870.

Dr. Thos. H. Ransay, the Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Gov. Graham's Address.—This address is to be delivered to-day on the Fair Grounds, on the life and character of Chief Justice Ruffin, formerly President of the State Agricultural Society.

Correction.—In giving the names and crimes of the several convicts during our late Superior Court we remarked that we believed they were all colored. We learn that this was a mistake. The following are white persons: Kinchey Ann Edwards, Phillip Thomas, Rufus Ford, James Martin and David Penn.

Personal.—We regret to say, the press of the state was not as fully represented as we desired to see. We were pleased to see on the Fair Grounds Mr. Yates of the Western Democrat, on Tuesday, and yesterday Mr. P. F. Duffy of the Greensboro' Patriot, Maj. J. A. Englehard of the Wilmington Journal, Mr. Uzzle of the Roanoke News and Mr. Hanes of the Old North State, were on the ground.

A Breakdown.—The storm at the Fair grounds yesterday, was of the fiercest kind and most disagreeable considering the exposed condition of the many hundreds who could not secure shelter. During its continuance many incidents occurred, some of which threatened to be quite serious, but most of them partaking more of the ludicrous.

A large number of colored people crowded on the musicians' stand which had a plank shelter over it. The accumulated humanity was too much for the timbers and there was a crash and a general tumble on every side, but, fortunately, no one was hurt.

Sheriff Lee passing across the grounds had his umbrella turned wrong side out and the cover torn away, leaving his head very exposed indeed.

There were several races between hats and their owners across the Fair Ground, in which, though we could not help pitying the owners, for the fun of the thing our sympathies were with the hats.

The tents of the spotted negro and learned pig, and other very unnatural curiosities suffered considerably, and at one time it seemed that a free exhibition of monstrosities was inevitable.

The storm, though a great drawback to the Fair, was a godsend to one class—the hackman and omnibus drivers, who immediately raised their fare from twenty-five to fifty cents, and were unable even then to fill the demand on their services.

Mr. Phillip's Address.—The Annual Address of Rev. Charles Phillips, D. D., before the State Agricultural Society, which was concluded just in time to avoid the storm, was a most excellent one, worthy of the occasion and of himself. We should but mar it to attempt a synopsis of it; it was too well linked and connected together for its beauty and eloquence, learning and practical sense to be appreciated from mere extracts. His tribute to the memory and useful labors of the late Gov. Swain was beautiful and true, and was received with applause. The tenor of his discourse was to show the intimate connection and mutual dependence of muscle and brain education and labor, and the necessity of employing the one for the best success of the other.

The address was well delivered and very attentively listened to for such a large audience.

Thoroughfare Cables worn on the horses of the Marshals were made and furnished by Mr. Wm. Hutchings, Saddler of Raleigh, who has on hand a fine display of saddle and harness work, of which we shall speak hereafter.

Firemen's Parade.—After the storm yesterday, the Fire Companies of the City paraded on the Fair ground, the procession moving in the following order: Rescue Steam, No. 1; Mechanics' No. 2; Victor (colored) No. 1. After moving around the track, there was a trial of power, in which we learned the Victor (colored) No. 1, bore off the palm and took the premium.

The White-haired King who offered millions for a new pleasure, would have assigned the reward to Parker's Vitalia, or Salvation for the Hair, because it would have enabled him to renew in his silver locks their youthful glory. The Vitalia is clear and has no sediment. It does not stain the skin, but will color the hair in a very few applications.

Spread the Truth.

Some medical men insist that it is undignified to advertise a remedy, however valuable it may be. Queer reasoning this. It is like saying that an article which the world needs should be hid in a corner—that benefits and blessings may be too widely diffused—that the means of protecting and restoring health should be a close monopoly, and not accessible to all. The argument is bad. It is worse than that; it is inhuman. Suppose Hostetter's Stomach Bitters—an absolute specific for dyspepsia, biliousness and nervous debility—had never been known beyond the repertoire of the faculty, what would have been the consequence? Instead of curing and invigorating millions, the good effects of the preparation would have been confined to a comparative few. There is the highest authority for saying that light should not be hid under a bushel; that whatever is excellent should be placed as a city on a hill, where all men can take cognisance of it. It is upon this principle that the Bitters have been advertised and continue to be advertised in every newspaper of any prominence in the western hemisphere, and that the spontaneous testimonials in its favor have been translated into all written languages. Thousands enjoy perfect health to-day who would be languishing on beds of sickness if the newspapers had not *spread the truth with regard to this unequaled invigorant and corrective* far and wide. Suppose profit has been reaped from this publicity. Is *that* any argument against it? If the public health has been protected; if lives have been saved; if the feeble have been strengthened and the sick restored, *great good has been accomplished*—and who so weak as to grudge to exertions thus directed their fair reward?

STATE FAIR—CATTLE AND HOGS.

In this department our Fair, if not a failure, is very far from being what it ought to be, both in number and quality, and this demonstrates to our people the necessity of taking *early* steps for improvement in this important branch of husbandry. We notice on the cattle side of the grounds:

One cow and calf, two bull calves and three heifers of the Devon breed, exhibited by T. M. Holt, Esq., of Alamance; one fine Alderny bull belonging to W. G. Upchurch, Esq., of Raleigh, and the following the owners of which we could not find out—one fine Devon heifer, one Durham bull, one Jersey bull, one Durham cow, a splendid animal, one very fine grade bull and one very superior milch cow and calf. There were also a fine head of fat cattle, belonging to Mr. W. R. Crawford, butcher, of Raleigh.

We noticed among the hogs, one pair thoroughbred Neapolitan, one Brazillian pig, one pair Exeter grades, one pair Chesters, a very fine black sow and four pigs, but we did not ascertain the names of any of the exhibitors.

There were a few Merino, Southdown and native sheep, but the display was not imposing, and offers a strong argument in favor of a dog law.

ARTS HALL.

In addition to articles in this Hall, mentioned by us yesterday, we notice the following:

By T. H. Briggs of Raleigh, cooking and parlor stoves and heater.

By Julius Lewis of Raleigh, stoves of various patterns, and other articles.

Bee hives, Langstroth's, Kings, Diamond, and an improved hive and bee house combined.

By Hutchinson and Bishop, manufacturers, of Newbern, a large lot of cedar and juniper buckets of excellent quality.

One dozen corn brooms made by J. B Watson, a blind man, of Salisbury.

Willow baskets, exhibited by Mr. Hege of Forsyth county, equal to any made in the world.

One mattress manufactured by John Harrison, mattress maker and upholsterer, Raleigh.

Handmade horseshoes and nails by M. Dunkley of Raleigh.

FARMERS HALL.

After a rapid survey of the above named Hall, we noticed the following: A fine display of honey, Shultz & Hunter, Forsyth; Tomato, Currant, Elmsburg, Catawba and Concord wines, by Hege & Co., Davidson. A fine article of Scuppernong Wine, Burbank & Gallagher. Corn Whiskey, C. C. Curtis, Alamance. Mrs. Wilson, of Granville, had a number of different family wines, preserves, pickles, jellies, &c., on exhibition. Churchill & West, of Raleigh, exhibited a splendid lot of Delaware and Jersey sweet potatoes. Froelick, of Duplin, had wines of 12 sorts; Jellies of 15 sorts; 31 different sorts of grapes; 19 varieties of apples; 2 different kinds of quince and 22 kinds of wines.

The Guildford Nurseries were well represented. Mr. G. S. Anthony had 60 varieties of apples.

Mrs. S. G. Wilson of Granville had some 75 varieties of apples.

The New Garden Nurseries, Greensboro, J. Lindley & Son, had a fine display. Among the articles exhibited by this enterprising firm we notice the following: Apples, 147 different kinds; 8 varieties of pears; 1 of Quinces; 200 kinds young apple trees; 22 cherry trees; 112 varieties of pear; 7 nectrine; 21 apricot; 16 Rasberries; 4 Gooseberries and 10 Strawberry varieties.

The above is but an imperfect sketch, but our lack of space and time must excuse it.

Mr. Shultz of Forsyth had a fine lot of hard and soft soap, also Mrs. Wilson of Granville. Butter, cheese and vegetables of every description were to be seen and in such quantities as to make it perfectly impossible for us to report. Corn, cotton, wheat, peas, &c. of every description in their perfection, were exhibited. This department was well filled and we will in a day or two give a full description of the numerous articles that were exhibited.

Owing to the interruption, caused by the storm, we were unable to prepare any further notice of the Fair for this issue. We will make full amends to-morrow.

PROGRAMME OF TO-DAY.

10 o'clock, A. M., trial of speed.
11 o'clock, A. M., Address by Governor Graham on the life and character of the late Chief Justice Ruffin.
12½ o'clock, A. M., award of premiums.
3 o'clock, P. M., trial of speed.
4 o'clock, P. M., sale of articles.

Trial of Speed Wednesday.—At ten o'clock a trotting match came off for $100, best two in three, mile heats.

The entrie were two—Paxson's "Twist" and Haywood's "Fannie;" won by Twist first and third rounds, the second being a dead beat. This was the prettiest trotting that has been witnessed on the track since the Fair opened.

At three o'clock another trotting match came off; premium $50, best two in three, mile heats. Entries, Harvey's "Express" and Waggoman's Baldy Davis; won by Express in two straight heats.

Edwin Forrest.—Every night this distinguished Tragedian and the talented Company with whom he performs, continue to draw overflowing houses. Last night "King Lear," was performed to a large and appreciative audience, and would receive a fuller notice at our hands, if the lateness of the hour did not prevent our expatiating.

Pickpockets Arrested.—We understand that two of the pickpockets, who have been operating during the Fair, were captured yesterday; one of them with his hand actually in a gentleman's pocket. One was arrested in the city, the other on the Fair Grounds. We did not learn the names, nor any of the particulars of either arrest further than stated above.

John Vose was sentenced to the Penitentiary for 7 years, at the Cleaveland Superior Court, for stealing a mule from E. F. Mafton of Rutherford. We take the following particulars of his case from the *Southern Home*:

"Vose was arrested at Marion eighteen months ago and has been in several prisons before his trial at Shelby. He was connected with Freeman's gang of horse-thieves and counterfeiters. Freeman himself was at the head of a small gang in connection with a much larger one, whose headquarters was in Somerset county, Ky. A Yankee is captain of the class and furnish the plates for counterfeiting. The horse stealing was subordinate to the more lucrative business of circulating spurious money.—The counterfeiting was carried on in a handsomely fitted up cave in Tennessee.—The gang took many newspapers and had their own telegraphic wires on the mountains of Kentucky and Tennessee, so as to keep well posted with regard to the outside world.

John Vose turned State's evidence in most of the cases in which he was indicted and has been the means of the conviction of nineteen persons. He is known to have stolen twelve mules in North Carolina and acknowledges to have stolen quite a number of horses in Kentucky."

A New National Flag.—The La Crosse *Democrat* is responsible for the following: Saturday last, a gentleman, who for several years past has been engaged in the Vermillion gold regions, returned to this city, and at the American House discovered a Prussian flag. "What is that?" he asked turning to a friend. "That is the Prussian flag," was the answer. "Bless the Lord!" says the pioneer, This remark created intense interest in the stranger, who was questioned as to his enthusiasm over the colors of an European kingdom. "Oh," says he, "it is not because I care anything for Prussia, but I have been beyond civilization for some time, and when I saw that rag, (red, white and black,) down me if I didn't think the Radicals had destroyed the stars and stripes and got up a new flag, with the red for the Indian, the black for the nigger, and the white for the rest of us!"

Grape Vine Telegrams—Meeting of the Literary Board.—The affairs of the University being under consideration, His Excellency piously said: "The motto of a great State Institution should be like that of our Divine Master, 'Suffer little children to come unto me.' As soon as the boy is weaned, he should be sent to the University, that his tender mind may be impressed with loyal truth. With these weaned babes we are making the University of North Carolina a wonder to the universe!"

Cebe Harris said: "Lars the boyzat the University readin', ritin' and rithmetic—the three r's. That's the way I was edicated."

President Pool said: "I've got the bulliest Faculty for teaching them three things. They knows jography and cyphering by heart."

Gen. Bolivar said: "Don't bother the children at the University with spellin'. I never could larn nothing about spellin', and I am the best finansheer in the State and a great soger to boot."

Ashley, from Buzzard's Bay, rolled his eyes towards Heaven and devoutly said: The great educator of youth is prayer and the sale of Swamp lands."—*Southern Home*.

The *Commercial Advertiser* of this city, a Republican sheet, in an article reviewing the condition of its party in the State, concludes as follows:

Judging from the symptoms manifested in various sections of the State, we are forced to say that the patient is in a very bad way. We say this at the expense of being charged with giving the cold shoulder to the Republican party. In these days of reckless lying somebody ought to have courage to tell the truth. If some good friends of General Grant would only have the courage to speak the truth to him it would be productive of much good, but it is unfortunate for the President that he is surrounded by obsequious flatterers without brains and without honesty.

Two actions for trespass were brought against "our beloved Governor" in the Cleaveland County Superior Court, for outrages committed by Kirk's lambs while quartered in Shelby. One of these was for the illegal arrest of Dr. Williams and the other for violently taking bacon from Mr. Thomas Wells. The cases were deferred. "Our son" *Judge* Lewis Olds was present to defend Dad.

PAIN KILLER
Perry Davis's Vegetable
1840 1870
THE PAIN KILLER
This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.
Directions accompany each bottle.
Sold by all Druggists.
Price 25 cts., 50 cts., and $1 per bottle.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable
LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES
120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.
1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,000,000.00 and steadily growing larger.
4. None of this is composed of the notes of hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies of deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as in the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as in the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as in the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowments-Policies."
17. The amount of new business during the year ending "December 7, 1869, was $61,021,781.00.
18. Its premiums average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is so liberal in the conduct of its business as to be entirely consistent with economy, but does not sacrifice proper caution to an ambition to increase the financial element of the business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

NEW GOODS! NEW GOODS!!
AT
Creech's.
I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and such they come.
Why, just look, the streets filled with drays all loaded with new Good's

FOR CREECH'S.
Just received, 31 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and how opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.
I will sell you Calicoes at 3 cts a per yard; want you look at them at 10 cents? and can't you afford to buy them at 12½.

Goods for Men's and Boy's Wear.
Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know me, might add that they are cheap. Why, you have got some one for the boy's property for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?
There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed along
The listening winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.
Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them at you for $2.00! Do you want them cheaper? some quality. Can't find them? Do you want them finer? I am just the man that has them, 6, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.
Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, say way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.
All right; Prices right; styles right; and did you know that Creech's is the place to buy hats right? Come and look.
Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?
I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

"FALL TRADE 1870."
We have in Store and are daily receiving the largest and best selected Stock of
HEAVY AND FANCY GROCERIES.
We have ever offered to the wholesale or retail trade. We have narrowed down our profits to meet the growing competition, and respectfully solicit an examination of our stock by parties desiring to purchase goods by the package or at retail.
We pride ourselves in filling orders for our friends, as low as if they were buying in person, and our customers can rely upon having their orders filled with the best goods at the lowest market rates.

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gives entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 500 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet Size Bale 41 feet 22x22 inches; wt. Bale 400 to 550 lbs.

THE

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently our "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the strength and amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869, in advance of having paid larger surrender values, than has been given under a system of "Definite Cash Surrender Value." *Death losses* have not occurred, out of several hundred policies issued in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Profits*" or *Dividends* are not declared but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantage over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
